City of Unity Councilors,

Be it known to you at this time that the Unity Community Hall & Recreation District (UCR&RD) Board does hereby terminate any and all previous rental agreements between UCH&RD and the City of Unity.

Please see all accompanying documentation which includes the termination letter, new agreement & it's attached documents.

The UCH&RD Board requires the City of Unity provide UCH&RD with keyed access to District owned facilities as prescribed in the newly required agreement within the time perimeters set forth in the aforementioned lease termination letter.

The UCH&RD is in expectation that arrangements for the meeting of representatives of both respective parties will be initiated by the City of Unity with enough promptness from today's date to allow completion of this matter within the deadline set forth in the termination letter.

We thank you for your attention and recognition as to the serious & imminent nature of this matter.

Sincere regards,

_____ _____
